THE JOURNEY

+650
Clients

+700
Projects

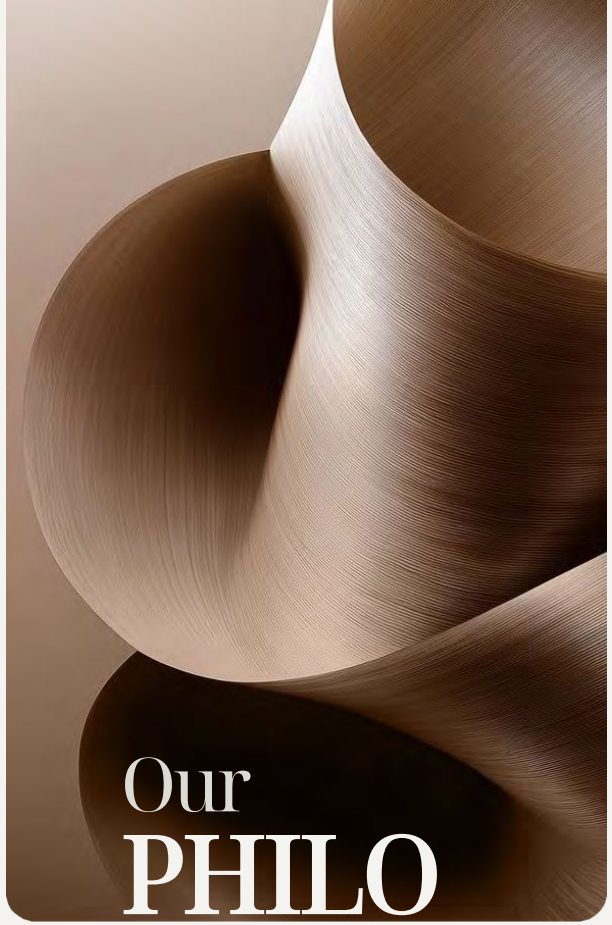

+820
Brands

Founded in 2012 by Architect *Shadi Salahie*, Projects World was built on over 30 years of experience in interior design and furnishing solutions.
The company began by representing carefully selected European furniture brands in the Saudi market. As our clients' ambitions grew, so did our global network of trusted manufacturing partners.
Today, with our professional team, we deliver complete furniture, interiors, and turnkey solutions, transforming ideas into exceptional spaces through a seamless project journey from concept to completion

"We value relationships...
We enjoy the journey...
We strive for excellence."

–Shadi Salahie

Architect / CEO

Our PHILOSOPHY

We believe successful projects are built on carefully thought-out solutions. Through our commitment to quality, clear communication, and reliable delivery, we build lasting partnerships and earn the trust of our clients.

At Projects World Co, our goal is simple; to deliver exceptional spaces and a seamless project experience from start to finish.

Our SERVICES

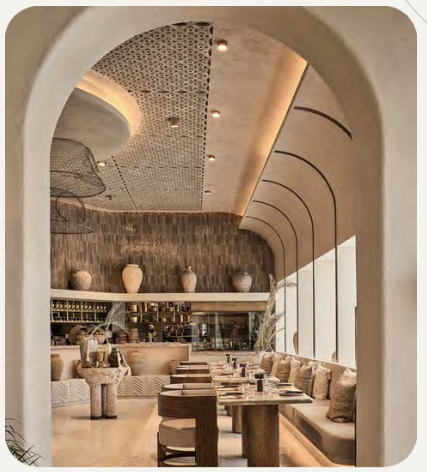

Design

Interior design, space planning, mood boards, material selection.

Furniture Supply

Sourcing and supplying furniture from leading global brands.

Fit-out

Complete interior execution and finishing with quality control and supervision.

Project Management

From concept to completion, ensuring smooth coordination, and on-time delivery

WHY US?

01 Global Sourcing

Our global sourcing network enables us to deliver the right solution for all types of projects residential, offices, and hospitality.

02 Designer Partnership

We partner with designers by providing a variety of product catalogs, material samples, and consultation to bring their vision to life.

03 Value Engineering

We deliver value engineering solutions that maintain the required specifications and design intent while optimizing project budgets and timeline.

04 Local Commitment

As a Saudi-based company, we combine international supply with local expertise, ensuring seamless delivery, guarantee, and after-sales services.

One PARTNER

Design Development

Turning ideas into designs.

Global Sourcing

Sourcing from trusted suppliers.

Procurement & Logistics

Managing orders and follow-up.

Fit-out & Supervision

Ensuring quality execution.

Delivery & Installation

Seamless final delivery.

After-sales Service

Support beyond completion.

One Team. One Point of Contact. One Seamless Project Journey.
